

A portrait of Dr. William DeJean, a middle-aged man with grey hair and glasses, smiling. He is wearing a light blue button-down shirt under a tan blazer. His arms are crossed, and he is holding a white mug. The background is a blurred indoor setting.

Dr. William DeJean

Founder, Unleash Learning

Dr William DeJean is an international leader in the field of teaching and learning.

Over the past 25 years, William has helped thousands of educators learn how to make learning stick for everyone. No matter what.

William started out as a high school teacher in San Diego, where he was named Teacher of the Year among 26,000 teachers.

He's taught at universities in the US and Australia and is an internationally recognised researcher. A sought-after keynote speaker, William has presented at TEDX Canberra, Young Minds and Happiness and Its Causes.

William founded Unleash Learning™ to embed a transformational teaching and learning system into organisations, so they can expand their meaningful impact by making learning stick, for everyone, no matter what is taking place.

William lives in Sydney and travels internationally to support Unleash Learning™ (when COVID permits).
